Community Development Financial Institutions (CDFI) Fund

OMB Number: 1559-0021.

Type of Review: Revision of a currently approved collection.

Title: CDFI Program and NACA Program Application.

Abstract: The CDFI Fund provides financial assistance in the form of grants, loans, equity investments and deposits to community development financial institutions providing capital and financial services to underserved markets. The FY 2016 CDFI and NACA Program application introduces an integrated web-based collection tool that will now be used to collect data from CDFI and NACA Program applicants. The new interactive, integrated application reduces the burden on the applicant since it will store previously supplied information, which will reduce data entry in future applications. It is anticipated that this will decrease the amount of time to complete the application from 50 hours to 30 hours per response for the applicants. This revision reflects a decrease in hours due to the new collection tool. Total burden hours requested for this submission is 13,530 (451 applications X 30 hours an application).

Affected Public: Private Sector: Businesses or other for-profits; not-for-profit institutions.

Estimated Total Burden Hours: 13,530.
